

LPJH

Home Set Up Guide

LPJH is happy to provide supplies for your arrival into Jackson Hole to allow you to slip into vacation mode immediately. While these supplies are not meant to last for your entire stay, we would be happy to replenish by request for a fee.

Please kindly take a moment to review the items that will be available at check in and let us know if any of your questions remain unanswered.

Bedding

All of our beds are dressed with the highest quality linens available in Jackson. You'll find the same linen adorning rooms in the Four Seasons and luxury homes across the valley.

Pillows and duvets are provided by the homeowner. If you have questions about the material or a feather allergy please contact us directly.

Towels

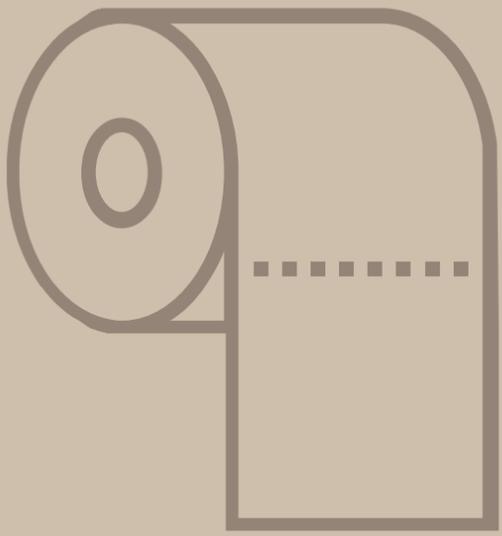

Each sleeping position will receive two full sets of clean, plush towels for use during the rental. A set of towels includes bath towel, hand towel, and washcloth.

Soaps

Our travel sized Guild + Pepper collection shampoo, conditioner, body wash, hand soap and lotion are available at each shower, bath and sink in the home.

Paper Products

Paper products include two rolls of toilet paper for each toilet, one box of tissue for each sink, and two rolls of paper towels for each kitchen sink.

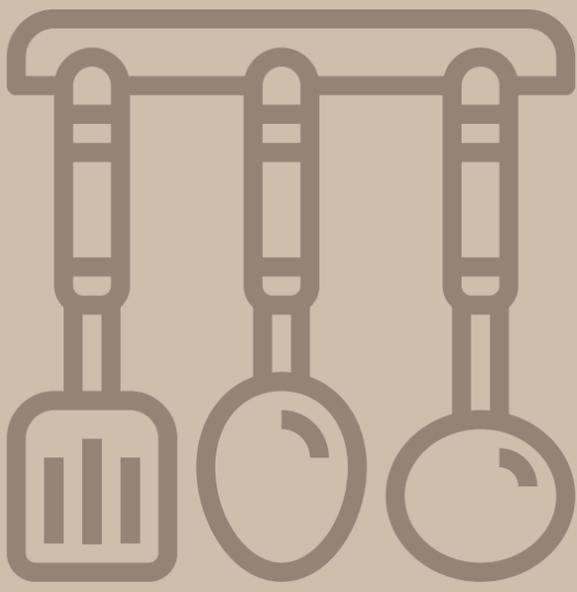

We do provide a bin of extra paper products. You are welcome to take from this supply, but a premium charge will be assessed. Guests are encouraged to purchase additional supplies themselves.

Laundry

Laundry detergent and dryer sheets are immediately available to you. We provide a sample size bottle of detergent, approximated at 6 loads.

Kitchen

Kitchen supplies include a small box of trash bags, a new sponge, a pack of six dishwasher detergent tablets, a small dish soap, and sampler coffee from Snake River Roasting Company.

Each home is outfitted as if it were being lived in year round and our kitchens are fully functional. If you notice an item that is absent, please let us know. We are always happy to make suggestions to our owners to continuously improve the guest experience at their home.

Misc.

Homes with wood burning fireplaces will be provided starter logs, lighters and firewood to burn. Nothing quite like a roaring fire during a vacation in the Tetons!

Homes with propane grills will have a back up tank of propane available.
